OBJECTIVE

To be admitted to the Juilliard Pre-College program to study classical piano. During my time in this program, I want to further develop my potential as a pianist by working with first-rate professors who I believe can help mold my talent to become a world-class musician. My plan is to attend a college music conservatory program to prepare for a career as a concert pianist and professor of music.

EDUCATION | TRAINING

Piano Studies

Tutelage by Dr. Yi-heng Yang (Juilliard faculty) | September 2024 - Present

Piano Studies

Tutelage by Helen Chiu | August 2022 - Present
